## WOMEN BIBLE READERS 2022

**What?** A group of women committed to reading the Bible together in 2022 through mutual accountability, encouragement and prayer

**Why?** Have you ever started on a Bible Reading plan on your own and given up by February? God instructs us in his Word to draw near to God *together* and to encourage *one another* daily with the truth of God's Word so that we can hold unswervingly to the hope of Christ we profess (Heb.10). We are far more likely to persevere in reading the Word and growing in the knowledge of God if we are doing so in the community of our local church rather than on our own.

### How?

#### 1. PICK A BIBLE READING PLAN

1. [Chronological Plan](#)\* (7 days/week): If you have never read through the Bible, this is a great plan to follow so you can see how the Story of the Bible unfolds chronologically. This is also compatible with [The Bible Recap](#), an 8 min. daily podcast summarizing each day's reading.
2. [Book-at-a-Time Plan](#)\* (6 days/week: Alternate reading OT and NT books, with an additional passage from the Psalms, wisdom books or Isaiah.
3. Pick another plan of your choice (the WBR group can help with ideas too).  
*\*these plans are available in the sanctuary as well as on the YouVersion Bible app*

#### 2. READ IN COMMUNITY

1. To sign up, email Sharon Reagan, [danielsharon.reagan@gmail.com](mailto:danielsharon.reagan@gmail.com). She can add you to the WBR group on the GroupMe App, where we post announcements and also encourage one another in our reading, ask questions, and ask for prayer.
2. Join us for our monthly gathering, the last Tuesday of each month, 7:30-8:30, to discuss what God taught us in His Word that month and to encourage and pray for one another.
3. Invite other women to join us!
